Are you thinking about buying a new policy and discontinuing or changing an existing policy? If you are, your decision could be a good one—or a mistake. You will not know for sure unless you make a careful comparison of your existing policy and the proposed policy. Make sure you understand the facts. You should ask the company or agent that sold you your existing policy to give you information about it. Hear both sides before you decide. This way you can be sure you are making a decision that is in your best interest.
